## Missionary of the Month

**DAN & ANNE-MARIE CHAPPLE - World Partners - Mexico**

The focus of our ministry in Mexico is to equip, mentor, and provide pastoral care for pastors. The rapid growth of the church in Mexico has not been paired with theological and pastoral training. As a result there are many false sects and heretical movements influencing the Church. Therefore we seek to strengthen the Church by equipping, discipling and providing pastoral care for its leaders.
