MISSIONS NEWS...

Keith Burk will be traveling with the Macoun, SK church to Haiti [Nov 14 to Dec 4](#). They will visit a place that is needing a new roof on a church building, a 7 hour drive from Port au Prince. They will also spend some time in La Jeune and contact people from the houses that they have built. If you wish to contribute to Keith please mark it on your offering envelope. We will accept donations until Oct. 31.

PLAN TO PROTECT...

Plan to Protect® is a protection plan for churches and their children, youth and vulnerable adults. It provides a manual with guidelines to help churches fulfill their responsibility to provide a safe environment for those who cannot always advocate for themselves. Part of implementing this plan is through training. All ministry personnel, pastors and ministry leads are required to attend orientation training and refresher training sessions once a year after that.

Orientation training will be on **October 1st**, following the church service and beginning with lunch, which will be provided. If you have not previously attended orientation you will need to attend this session. A refresher training date will be announced in the future.

If you have any questions, please contact Coral Creasser at (403) 443-7393 or 1581.
