### CHURCH BOARD REPORT - May 14, 2020

On the 14th of May the Government announced that worship services, with proper health protocols in place could resume to a maximum of 50 in attendance.

The Church Board, Elder Team and 3 staff members met to evaluate our situation in light of these guidelines.

After considerable discussion there was no clear consensus as to the direction we should take. After a season of prayer it was unanimous that we should wait in the short term and reconvene on June 1, 2020 to decide on a course of action. We are to continue as we have been doing these past weeks on line.

The Board members met briefly following the joint meeting to discuss *Celebrate Recovery* and the Christmas Banquet. It was unanimously decided that the Christmas Banquet would be a church family event this year.

Please keep our church leadership in your prayers as we seek to follow what God would have us do in these challenging times.

Respectfully submitted,  
Dr. Dennis Punter - Board Chair
