Missionary of the Month

ROCK SOLID REFUGE

During the summer months, we usually have lots of special events and outings for the students. Due to the Covid-19 restrictions it has the potential to put some of these in jeopardy. Please pray that we will be able to still do our canoe trip in July and Family Camp in August. Family Camp is the most important event for our students and their families as they come together for a time of learning and restoration. Please pray for the planning of the event and that God will soften the hearts of our students and their parents so they can restore their relationships together.
