## Missionary of the Month

### Shannon Weiss - SAM MINISTRIES

Mozambique is one of the poorest nations in the world and we have many orphans and widows due to things like AIDS and other illnesses. Our current life expectancy here is around 56 years old. We care for a number of widows and their grandchildren who live with them as they have lost their parents. We try our best to help them with whatever they need so they can stay together as a family. Please pray for our families, that they would come to know the Lord and give their lives to Him.
