Missionary of the Month

Dan & Anne Marie Chapple - WORLD PARTNERS MEXICO

When the decision was made to leave for Canada before Covid-19 shut down travel, we had just three days to make arrangements for our house, pay the bills, look after vehicles and pets and get out of the country. A close friend and pastor had just been laid off from his job and we knew they were having difficulty paying their rent each month. We asked them if they would be willing to stay in our home while we were away and discovered that God had been prompting **them** to ask if they could live in our home! Because we are now living in Canada, our annual salary has been increased by \$15,000. We are challenged to trust that God will continue to care and provide as we resettle in Canada.
