### CHURCH BOARD REPORT - OCT. 22/20

Special resolutions for changes to Church Bylaws were worked on and referred to the Bylaws Committee for further input before placing them before church membership. The contract for the door renovations was awarded to Cut & Dried. The chair is to approach the trustees to inquire if they would have interest in being the General Contractors for this project. We did have time to do board training from "The Unity Factor". This was not possible because of the focus of the past meetings taking considerable time. Respectfully submitted,  
Dr. Dennis Punter - Board Chair
