BEMC BOARD REPORT - SEPT. 2020

The Elders Team, PRC and Church Board met in a joint meeting prior to the Board Meeting on Thursday, September 23. Duties of each entity were carefully compared one with the other. No overlaps were found and we were made aware of the roles of each, with consensus that the PRC would be responsible for the lead pastoral annual review.

Lawrence Bauer presented the plan for door renovations along with two quotes for cost of the project. It was determined that a congregational meeting was needed to approve this large renovation. October 19 was set for the date for this gathering.

The Board approved the re worked ministry descriptions for Elder Team, PRC and Church Board.

A grievance policy was approved for administrative staff.

After a long evening we adjourned at 10:30 PM.

Respectfully submitted,
 Dr. Dennis Punter - Board Chair

Missionary of the Month

Ken & Isaura Orr - PROJECT AMAZON CANADA

Much of my daily routine remains the same: bookkeeping and administrative duties at the mission office. Isaura juggles her time between being the church's mission secretary and being a mom. Evening and weekends we are involved with cell group supervision, discipleship, counseling, social assistance, etc. As the government eases restrictions, we want to resume evangelistic outreaches and leadership training. Pray for wisdom and protection.
