**Rock Solid Refuge** is looking to fill a number of positions as we move into the new year. Would you forward this message to someone who is ministry minded and has a passion for struggling teens?

**Youth Care Workers** to come along side our students and live daily life along side those who struggle. These are people who work well with a team, can regulate their emotions in stressful situations, and are willing to learn the best practices for communication and conflict resolution.

**A Certified Teacher** to come along side Mr. Dueck in our on-site school and help students who have historically struggled with grades and attendance. We are looking for someone with a teaching certificate who is also able to connect with students quickly and build meaningful relationships.

**A Maintenance Manager** to care for our site and teach practical, hands-on skills to the students. We are looking for someone who is self motivated and able to work independently with minimal supervision or instruction. ### BOARD REPORT - NOVEMBER 26, 2020

Dennis Punter has asked for a temporary leave from the role of board chair while he takes care of some health issues. Jordan Unger will take on the role of Board Chair in the interim.

We continued our board training from "The Unity Factor" where we are learning about change.

The special resolutions that were taken to the Bylaw committee were reviewed. We hope to bring the amended bylaws to the next AGM for approval by the church membership.

The role of general contractor for the door project has been awarded to Earl Dyck. Much discussion was had regarding the newest COVID-19 restrictions, and how they would affect us. The board is in agreement that we will continue to follow Alberta government requirements.  
Jordan Unger - Vice Chair

## Missionary of the Month

### Daniel & Christy Hilson - MISSIONARY GOSPEL FELLOWSHIP

Two weeks ago I had an appointment at the bank with Frances, a Catholic lady from India. That morning God gave me a burden for her. After my business, I asked Frances, "What can I pray for you?" She was touched and surprised that I wanted to pray in her bank office. She asked me to pray for her husband Milton who has cancer and for her daughter Evanna who has problems making decisions. I prayed for them and then encouraged her to put her trust in Jesus. Please pray that that family will put their faith in Jesus.
