Missionary of the Month

ROCK SOLID REFUGE

This month we wanted to take a moment and ask you to pray for each of Rock Solid Refuge's current students individually. We know that real change is only possible through Christ and your prayers help realize that change. Thank you for partnering with each of these young men this month.

Luke - Luke is over halfway through his program and has had remarkable change in many ways. Luke has done really well in his school grades. Just his willingness to be here still is a big win. However, the greatest challenges are always in the last 2 levels (last six months) of the program as the expectation for Maturity, Responsibility and Charity continues to grow. A student sometimes can get in a rut of comparing themselves to how they were before they came, and it becomes difficult for them see the continued need for growth as a blessing. Pray that Luke will focus on the lasting change God wants to bring into his life and that He would fully embrace Jesus.
