Missionary of the Month

Dan & Anne-Marie Chapple - EMCC MISSIONARIES - MEXICO

When our Semillas students reach level one of the program they are taught how to begin a new church plant, and are encouraged to do so as a group. Two of our groups have accepted that challenge and have started house churches in nearby towns. Dan, together with the local pastors, is mentoring and guiding the groups in these endeavours. In addition to starting churches, each student who finishes one of the Semillas books is qualified to teach it. Some of our students, under the pastor's supervision, have started more study groups in their churches.
