Missionary of the Month

Roger & Noemi Ehrsam - WYCLIFFE BIBLE TRANSLATORS

Wycliffe does not only translate Bibles, we also help in strengthening cultures. Many of these nations feel as 2nd-Class-people. This is because they do not speak the national language (for example French or English) and are looked down by other people. They do not have their own written language and also no books. As a result many of their young adults leave the village and move to the city and turn their backs on their culture. The old folks stay behind and their culture is dying out. Wycliffe analyzes and develops an alphabet as well as a dictionary. This all serves the national government and helps that their own written language is recognized and taught in schools. Also the drop out rate at school is much lower since they also study in their mother-tongue. The young people realize their own value and begin to appreciate their culture and no longer feel as people second class.

Please Pray For ...

- ◆ God's blessing for another church in town: Manor Gospel Church.
- ◆ For safety for our local RCMP.
- ◆ For the farmers as they are harvesting.
- ◆ For comfort for Fred Rowe as Michelle passed away this week.
- ◆ For comfort for Rueben and the Enzie family as Diane passed away recently.
- ◆ For Jay Shearlaw as he is home awaiting a kidney transplant.
- ◆ For Ethel Dafoe as she is undergoing cancer treatments.
- ◆ For all the people experiencing loss from the recent wildfires.
- ◆ For Jenny Rinker as she is planning a short term mission trip to Nepal. Pray for wisdom, visa and support.
- ◆ For the EMCC Cross Connections Church in Chilliwack as they had a devastating fire this week. (Rob Campbell is the Lead Pastor at this church.)
