Nursery

There is a nursery room located at the back of the sanctuary for parents with little ones, where you can watch and listen to the service. We also have provided a staffed nursery located on the stage in the gym. Please ask an usher if you need directions.

We pray you experience God's presence today, and we look forward to seeing you again!

Missionary of the Month

Roger & Noemi Ehrsam - WYCLIFFE BIBLE TRANSLATORS

Throughout the year we visit different churches of various denominations. These churches are very diverse from each other. For example, some are very organized and some are very flexible. A couple of times we organized the whole church service including worship, but usually I only present Wycliffe and give a message. It is a joy to play music as a family and see the children participate in the service. The members of the churches are happy that I'm bringing our children, as there are not many children in many of these churches. We are privileged to serve as a whole family in these church visits. We are looking for new prayer warriors that want to intercede for one of the 30 Bible-less people groups and connect them into prayer communities. I support those groups and connect with their leaders on a regular basis. These communities pray together and meet via zoom and other ways.
